Each essay is worth 30% of the paper mark: Media

أو

a/ Expected choices may include TV channels and programmes, newspapers and magazines etc... Some TV channels concentrate on certain aspects of Arab life only. I.e. news channels, showing only political issues and problems. Entertainment channels showing films, music, songs and plays. Neither show Arab life in its entirety but only aspects of it. Candidates may wish to mention one of these programmes and talk about the extent to which Arab life is reflected in it.

b/ Candidates may mention any magazine they wish that is currently available to be read on the internet. They are free to make their own choices, deductions and conclusions but they must they must be substantiated by fact and logic.
