Human and non-human agreements

Lesson Objectives

* Adjectival agreement in gender and number for both humans and non-human subjects

adjectives

Adjectives are descriptions of objects and people
When describing people they agree with the **number** (singular, dual or plural) and **gender** (male or female) of the subject

When describing objects they agree with the **gender** only (male or female) of objects, except for the dual.

Plural objects are always described in the singular female
