

The background of the image is a bright, sunny outdoor scene. It features several tall palm trees with green fronds. In the distance, a light-colored building with three small towers or turrets is visible. The sky is blue with some light clouds. In the foreground, there is a black lamppost with a white lantern. The overall atmosphere is that of a well-maintained park or campus.

Culture plays a key role in the process of learning a foreign language

Teaching the culture of the target language will develop the student's personality and enhance their achievement

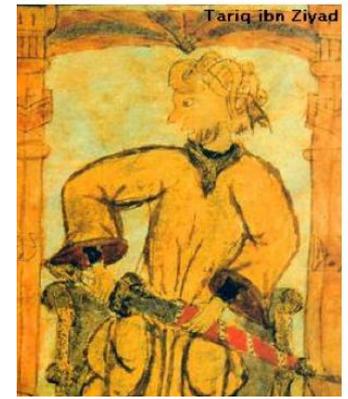

It enhances linguistic and social understanding of the target language

Remember, foreign language education is also the transmission of another culture
